a new global trade and investment architecture, ensuring a climate change regime that supports developmental objectives, establishing a global financial order that fully protects the interests of the two countries, as well as realization of Millennium Development Goals and other issues on which they have shared concerns.

At the meeting between Prime Minister and Pakistan's President, it was decided that Foreign Secretaries of the two countries would discuss what Pakistan could do to prevent terrorism from Pakistan against India and to bring those responsible for these attacks to justice including those behind attacks in Mumbai. Foreign Secretaries of India and Pakistan were asked to report to the Leaders at Sharm el Sheikh during the NAM Summit in mid-July 2009.
